In the Fall of 2015, the Global Philadelphia Association will host Greater Philadelphia’s second biennial international exposition, GlobalPhilly™2015. In this edition, global players in the region have the possibility to collaborate through "Nation Days", a great way to celebrate the culture of a specific country and raise awareness about its business/education models.

Collaborate on your Nation Day!
The Expo plans to showcase a number of "Nation Days" by country to demonstrate the many nationalities present and active in the Philadelphia region. If you represent a country and would like to see it featured within the Expo, contact us! To show the world that Philadelphia is a truly global region, the Association will market the expo not only throughout the region but nationally and internationally.

Through “Nation Days”, members of the Global Philadelphia Association will have the opportunity to celebrate their specific region by participating in diverse programs and activities.

We are excited to announce just a few nations that are in the works:
- Benelux (Belgium, Netherlands, Luxembourg)
- China
- France
- India
- Italy
- Japan
- Mexico
- Norway
- Panama
- Sweden
- Switzerland

Global players that would like to participate in the “Nation Days” are required to be members of Global Philadelphia. At least 3 events presented during the “Nation Days” must be a part of any of the following 7 categories: Education, Arts and Culture, Business, Heritage, Cuisine, Sports or Advocacy.

The Expo plans to showcase a number of "Nation Days" by country to demonstrate the many nationalities present and active in the Philadelphia region.

If you represent a country and would like to see it featured within the Expo, contact us!
