

May 2014

Dear Supporter:

We are so proud of our students. Year after year, Pan American Academy Charter School continues to make strong academic gains. As a dual-language International Baccalaureate (IB) World School Primary Years Programme, we are confident that our investment in the children of Eastern North Philadelphia will yield great rewards for our community's future.

We invite you to join us in celebrating their successes and investing in their future through ***Festival de Sueños*** on Thursday, June 12, 2014 at 6 p.m., in the Trujillo Center, 2830 North American Street. A sponsorship package is attached.

Our 2014 ***Festival de Sueños*** directly supports our new school library. This multipurpose, interactive space will promote the development of internationally-minded students through innovative experiences using both literature and technology. This will be a place where the tools to work globally and collaboratively will be available to our students *and* parents. This year's *Festival de Suenos* is also an arts showcase, featuring performances by our award-winning Pan American Ballroom Dancers, as well as the unveiling of DREAMS/SUEÑOS, a mosaic project in partnership with Philadelphia Magic Gardens and Pan American students, teachers and parents. Guests will be invited to tour the library, view the mosaic installation, and enjoy dinner and an awards program.

If you have any questions about the event, sponsorship, or Pan American, please call Yvette A. Núñez at 267-765-2262 or nunezy@congreso.net.

We look forward to seeing you there!

Sincerely,
