

**Global  
Interdependence  
Center**

**SANFORD<sup>®</sup>**  
HEALTH

**Providing a Sustainable Model for Permanent, Primary Healthcare  
Infrastructure in Ghana and Other Developing Nations**

**September 12-14, 2012**

**Accra, Ghana**

Join GIC for the first event in our partnership with Sanford Health. This two-day conference will focus on the topic of building sustainable healthcare models in developing regions and will include discussions on healthcare needs, the development of healthcare infrastructure, the impact of philanthropy, and the role of food security in improving healthcare. This program will include a visit to one of Sanford's existing World Clinic sites in Ghana.

**Event Highlights Include:**

- **Welcome Dinner for Participants at the Movenpick Ambassador Hotel**
- **Tour of Sanford World Clinic Site in Cape Coast**
- **Case Study: Sanford World Clinics—Ghana**
- **Private Round Table Discussion**

**Invited Speakers:**

- **David Link, Senior Executive Vice President, Sanford Health**
- **Dana Allison, Executive Director, Women's World Health Initiative**
- **Peter Lamptey, President, Public Health Programs & Family Health International**
- **Dr. Opoku Edusei, President, Ghana Medical Association**
- **Sylvester Mesah, CEO, National Health Insurance Authority**

**Registration and detailed agenda coming soon! Check the GIC website for updates!**
