

Invitation to Sponsor the 2018 Globy Awards

We are writing to extend an opportunity for you to participate in a major, high visibility event – the annual Globy Awards – in December.

Every year, the Global Philadelphia Association recognizes leaders in Greater Philadelphia who have made distinctive contributions to Philadelphia's stature as a global city. This year, at a ceremony to be held on December 10, the global awards – "Globy's" as they have come to be known – will be conferred upon five Philadelphians whose contributions have put our growing global city on the map. The 2018 Globy Award honorees are:

- **Corporate Leadership Award** – Kenneth R. Fulmer, President & CEO, Urban Engineers
- **Community Leadership Award** – Stanley Straughter, Mayor's Commission on African and Caribbean Immigrant Affairs, City of Philadelphia
- **Education Leadership Award** – Jurate Krokys, Assistant Superintendent for the Autonomy Network, Philadelphia School District
- **Heritage Leadership Award** – Sam Katz, Executive Producer and Founder, History Making Productions
- **Lifetime Achievement Award** – Meryl Levitz, President & CEO, Visit Philly

The event will consist of a membership meeting, luncheon, and award ceremony to be held from 11:30 a.m. to 2 p.m. at the Benjamin Franklin Ballroom in Center City. It will be a wonderful chance to meet and connect with passionate, globally-minded civic leaders, international businesses and non-profits from throughout the region.

This will be a limited opportunity with only five awards to be sponsored. You can become one of them by making a contribution at one of the levels reflected on the accompanying sheet. Please join us on this significant occasion and take part in the ceremony by presenting one of the four awards to this year's winners. We look forward to hearing from you!

Sincerely,

John F. Smith, III
